^{*195} days are defined as "School days". In the school year 2025/26 pupils must attend for 190 days. Schools may decide individually or collectively which 5 days in the year are INSET or non-contact days (days pupils do not need to attend). Academies and free schools are not legally bound by school day and school year regulations; however, the DfE has stated they should be working towards a minimum of 32.5 hours per school week by September 2024 at the latest.

195 days*

Please Note: As per the Governance handbook, academies and free schools can choose to set their own term dates. Schools considering alternative dates or considering changes to their school opening times may wish to contact our Transport Team to discuss transport implications and contact local childcare providers to discuss what impact this could have.
